## ISO Tank Profile

BAFCO International Shipping & Logistics Co. Ltd is a Saudi headquartered company. We are an independent venture completely focused on providing our customers with high-quality service for integrated transportation of bulk liquid cargo such as hazardous and non-hazardous chemicals on our own fleet of ISO T-11 Tanks.

With a combination of expert professionals, sound infrastructure, and advanced IT Systems, BAFCO International Shipping & Logistics Co. Ltd is establishing itself as a reliable player in the ISO tank container industry.

BAFCO International Shipping & Logistics Co. Ltd offers complete capabilities to handle dangerous cargo (IMDG) goods and is well aware and complies with global IMO and IMDG regulations.

At BAFCO International Shipping & Logistics Co. Ltd it is our aim to provide every customer with tailor-made operations, backed by the latest state of the art equipment, to ensure a consistent door to door or door to port or port to port international bulk liquid logistics.

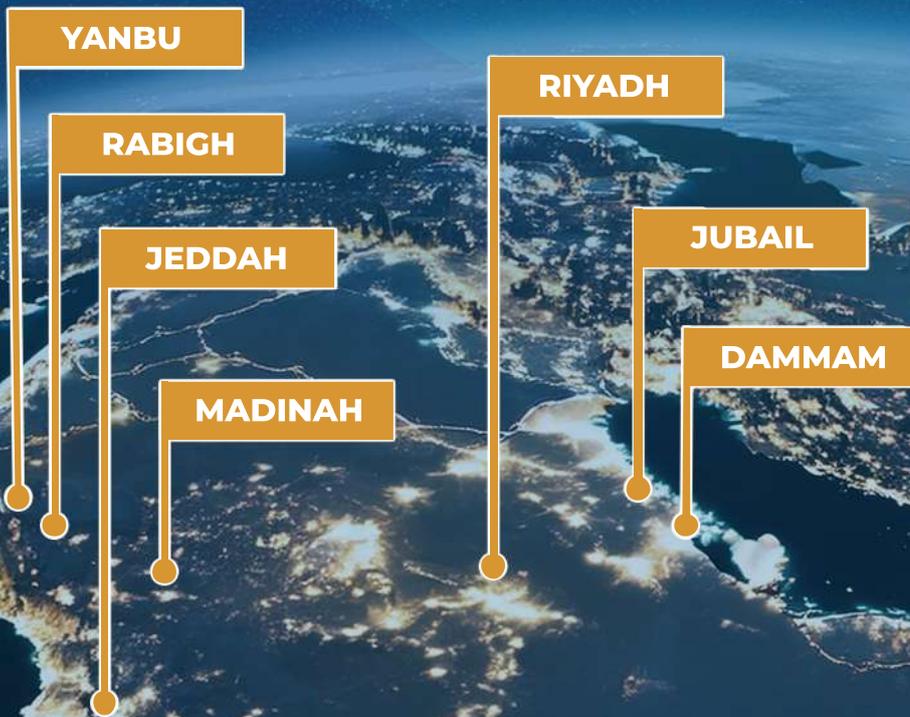

## Our Vision

To become and continue to remain a preferred carrier of choice for our customer's logistics of liquid logistics.

## Our Mission

Building transparent, innovative, and economical supply chain solutions by integrating with strategic investment in ISO Tanks to deliver personalized service in a safe, consistent, and timely manner.
